### **Independent Auditor's Report**

Board of Directors Community Action Program of Evansville and Vanderburgh County, Inc. and Subsidiary Evansville, Indiana

### Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Community Action Program of Evansville and Vanderburgh County, Inc. (a nonprofit organization) and CAPE Place, LLC (Subsidiary), which comprise the consolidated statements of financial position as of December 31, 2013 and 2012, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the financial statements of Cape Place, LLC, as of, and for the year ended December 31, 2012 which statements reflect total assets of \$3,939,668 as of December 31, 2012 and total support and revenues of \$272,579 for the year then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the aforementioned organization, is based solely on the report of the other auditors. We did audit the financial statements of Cape Place, LLC, as of, and for the year ended December 31, 2013. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no

such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Action Program of Evansville and Vanderburgh County, Inc. as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

### Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by U. S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated June 12, 2014, on our consideration of Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting and compliance.

#### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of Community Action Program of Evansville and Vanderburgh County, Inc.(the "Organization"), and its wholly-owned subsidiary, CAPE Place, LLC (the "Subsidiary"). In accordance with the FASB Accounting Standards Codification topic "Consolidation of Not-for-profit entities", consolidation is required for the aforementioned entities and all material intercompany transactions have been eliminated in the consolidation.

#### NATURE OF OPERATIONS

Community Action Program of Evansville and Vanderburgh County, Inc. (CAPE or the Organization) was incorporated and commenced operations as a not-for-profit Organization in 1965, under the laws of the State of Indiana. The Organization was formed to develop and provide resources for the purpose of assisting low-income individuals in the City of Evansville and Vanderburgh County, Indiana through a variety of programs, including Head Start, Energy Assistance, Section 8, Weatherization, Foster Grandparents, Owner Occupied Rehabilitation Programs, Food Banks and Individual Development Accounts. The Organization is primarily supported through federal and state government grants.

CAPE Place, LLC was formed to further the charitable purposes of Community Action Program of Evansville through development, ownership, and operation of a 28-unit affordable housing rental project on certain real estate located in Princeton, Indiana, to be known as CAPE Place.

Income or losses from business activity performed by CAPE Place, LLC and Community Action Program of Evansville and Vanderburgh County, Inc. are reflected as increases and decreases in the net assets of the Subsidiary in the consolidated statement of financial position. In addition, income or losses from Subsidiary activity is presented in the consolidated statement of activities.

#### BASIS OF PRESENTATION

The financial statements of the Organization and Subsidiary have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

#### REVENUE RECOGNITION

The Organization receives grants from the State of Indiana (State) and the federal government to carry out certain program activities. The grants are received under contracts which require the Organization to submit to the State appropriate records of services provided to eligible individuals. Revenues under the contracts are recognized as the services are provided. The Subsidiary recognizes revenue as it is earned and billed.

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### PROPERTY AND EQUIPMENT

The Organization and Subsidiary follow the practice of capitalizing all expenditures in excess of \$5,000 for property and equipment at cost; the fair value of donated fixed assets is similarly capitalized. Depreciation is provided using the straight-line method over estimated useful lives of three to forty years. The following is a summary of the lives for each class of asset:

Buildings	40 years
Leasehold improvements	15 years
Equipment	3-10 years
Vehicles	5 years

When property is sold, retired or otherwise disposed of, the related cost and accumulated depreciation are eliminated from the accounts and any resulting gain or loss is credited or charged to income. Expenditures for maintenance and repairs are expensed when incurred.

The Organization's total depreciation expense for the years ended December 31, 2013 and 2012, was \$114,694 and \$113,568, respectively. The Subsidiary's depreciation expense was \$115,002 and \$75,151, respectively for the years ended December 31, 2013 and 2012.

#### **INCOME TAX STATUS**

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an Organization that is not a private foundation under Section 509(a)(2).

In addition, since the subsidiary LLC is wholly owned by the Organization, there is only a single member. Per Internal Revenue Service Code, the LLC is considered to be a "disregarded entity" for tax purposes, meaning that all revenues and expense of the LLC are reported as part of the Organization's annual tax return. No income tax return is required to be prepared for the solemember LLC.

#### FINANCIAL STATEMENT PRESENTATION

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) for *Financial Statements of Not-for-Profit Organizations*. Per these Standards the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. A description of the unrestricted, temporarily and permanently restricted net asset classes follows:

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### FINANCIAL STATEMENT PRESENTATION (continued)

Unrestricted net assets represent the portion of net assets of the Organization that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations. Unrestricted net assets include expendable funds available for the support of the Organization.

Temporarily restricted net assets represent contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations.

Temporarily restricted net assets also include, pursuant to Indiana law, cumulative appreciation and reinvested gains on permanently restricted net assets, which has not been appropriated by the Board of Directors.

Permanently restricted net assets represent contributions and other inflows of assets whose use by Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

For the years ended December 31, 2013 and 2012 the Organization did not have temporarily or permanently restricted assets.

#### **USE OF ESTIMATES**

The preparation of accrual basis financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

#### **CONTRIBUTIONS**

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### CONTRIBUTED SERVICES

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance non-financial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated.

#### TAX BENEFITS

The Organization and Subsidiary recognize a tax benefit only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded.

### ALLOCATION OF COSTS

The Organization allocates joint costs to benefiting programs using various allocation methods, depending on the type of joint cost being allocated. Joint costs are those costs incurred for the common benefit of all agency programs, which cannot be readily identified with a final cost objective. The Organization's cost allocation methods are as follows:

#### Administrative Personnel

Agency administrative and financial personnel (Executive Director, Director of Administration, accounting personnel, etc.) record the time they spend working on specific programs on their time sheets. The time specifically identifiable to a particular program is charged to that program.

#### Administrative Non-personnel Costs

Administrative non-personnel costs (including administrative space costs, utilities, telephone, supplies, travel, etc.) are allocated based on actual administrative time spent in each program.

#### Occupancy Costs

Occupancy costs (maintenance costs, utilities, insurance, rent, repair costs, etc.) are allocated based on the number of square feet of space each program occupies.

### GRANTS RECEIVABLE AND ALLOWANCE FOR UNCOLLECTIBLE ACCOUNTS

The grants receivable represent amounts the Organization has filed claims for the years ended and were awaiting payment. A substantial majority of receivables are due from government sources. The amount deemed uncollectible is zero. Therefore, no bad debt allowance is considered necessary.

### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### ACCOUNTS RECEIVABLE

The accounts receivable represent amounts due for child care services. The Organization considers accounts receivable to be fully collectible and, accordingly, no allowance for doubtful accounts is considered necessary. The past due accounts are reviewed and written off every year in the month of July. The direct write-off method was not determined to have a material impact on the financial statements.

### **CASH EQUIVALENTS**

The Organization considers all highly liquid investments, except for those held for long-term investment, with maturities of three months or less when purchased to be cash equivalents.

#### IN-KIND CONTRIBUTIONS

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair market value of certain in-kind donations as an expense in its financial statements, and similarly increase revenue and other support by a like amount. For the years ended December 31, 2013 and 2012, this adjustment amounted to approximately \$803,207 and \$866,260, respectively.

The Organization has recorded in-kind contributions for professional services on the Consolidated Statement of Activities as required per the FASB Accounting Standards Codification for Accounting for Contributions Received and Contributions Made. This standard requires that only contributions of services received that create or enhance non-financial assets or require specialized skill and would typically need to be purchased if not provided by donation be recorded. The requirements of the FASB standard are different from the in-kind requirements of the Organization's grant funding sources.

Of the \$803,207 and \$866,260 of in-kind contributions and related expenses recorded in the Organization's Statement of Activities for the years ended December 31, 2013 and 2012, contributed services meeting the requirements of the aforementioned standard are \$444,893 and \$415,465, respectively, related to Head Start. During 2013 and 2012, the Organization also received other in-kind contributions totaling \$338,749 and \$703,746, respectively, related to its Head Start and Foster Grandparent programs, which includes services from non-professional volunteers which are not recorded in the Consolidated Statements of Activities.

During 2013 and 2012, the Organization also received in-kind donations including food, supplies, and space for its Head Start program totaling \$352,114 and \$450,795, respectively.

In these programs, low income persons can qualify for down payment assistance or for repairs and improvements of owner occupied residences. ### COMMUNITY ACTION PROGRAM OF EVANSVILLE AND VANDERBURGH COUNTY, INC. NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS YEAR ENDED DECEMBER 31, 2013

#### Note 1 - Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Community Action Program of Evansville and Vanderburgh County, Inc. and is presented in accordance with the requirements of *OMB Circular A-133*, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

#### Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

#### Note 3 – Energy Assistance Payments

The Energy Assistance Payments expenditures under CFDA Number 93.568 include \$2,241,734 of energy assistance payments that were disbursed by the Indiana Housing and Community Development Authority on behalf of the Organization during the year ended December 31, 2013.

### COMMUNITY ACTION PROGRAM OF EVANSVILLE AND VANDERBURGH COUNTY, INC. SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS YEAR ENDED DECEMBER 31, 2013

### Section II – Financial Statement Findings

### FS-2012-01 - Update of financial policies and procedures

Condition: During our review of internal controls over cash disbursements, it was noted that one (1) out of sixty (60) disbursements did not comply with the Organization's Finance Policy and Procedures Manual. Per the Organization's purchasing manual states that the disbursements over \$300 require Executive Director's authorization. This particular disbursement included the departmental approval, and adequate segregation of duties was in place.

In addition, during our risk assessment procedures, we noted other policies that were not adequately documented in the Finance Policy and Procedures Manual. Specifically, use of purchase orders, check voiding procedures and EFT transactions. The process followed by the Organization for cash disbursements, voiding checks and EFT transactions are designed adequately, however the written procedures do not exist.

Criteria: Management of the Organization is responsible for establishing and maintaining effective internal control over cash disbursements process. Maintaining a complete Finance Policy and Procedures Manual is crucial to ensure adequate internal controls are designed and implemented.

Cause: The Organization did not evaluate and update the Finance Policy and Procedures Manual per existing procedures in practice.

Effect: Lack of adequate written procedures, instructions, and assignments of duties may result in increased misunderstandings, errors, inefficient or wasted effort, duplicated or omitted procedures, and other situations that can result in inaccurate financial results or disallowed costs being reimbursed by federal awards.

Recommendation: We recommend a comprehensive evaluation of the Finance Policy and Procedures Manual. Due to size and complexity of the Organization's operations, a well-written manual is necessary for all processes to be clear for employees, management and funding sources.

Management response: The Agency has begun a comprehensive evaluation of the Finance Policy and Procedures Manual. The Finance Department is analyzing the processes and procedures for completing all transactions. The signature requirement for disbursements has also been addressed and could be changed from the \$300.00. The Agency has reviewed templates of manuals for guidance to ensure all areas are addressed and fully documented. The timeline for the completion of the revision of the policies and procedures manual is first draft to the Finance Committee for review in November with feedback for revisions in December. The final revision will be submitted to the Finance Committee and full Board of Directors for approval in January 2014. In the interim all purchases over \$300 will be submitted to the Chief Executive Officer for signature and monitored by the Accounts Payable Clerk and Senior Accountant.

### COMMUNITY ACTION PROGRAM OF EVANSVILLE AND VANDERBURGH COUNTY, INC. SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS (CONTINUED) YEAR ENDED DECEMBER 31, 2013

Section II – Financial Statement Findings (continued)

FS-2012-01 – Update of financial policies and procedures (continued)

Auditor's Update: Finance Policy and Procedures Manual was updated during the year ended December 31, 2013.

### FS-2012-02 - Clerical error in entering in-kind revenue and expense

Condition: During the data entry of an in-kind revenue transaction for the Head Start Program, the finance staff entered \$132,486, when the transaction amount should have been \$1,324.86. This decimal error was not detected by management review of the transaction on a timely basis. The Organization still met the match requirement for the Head Start grant after correcting this error.

Criteria: Internal controls of the Organization should detect and correct material misstatements to financial statements on a timely basis.

Cause: Staff review of journal entries did not detect and correct this error in data entry of transaction amount.

Effect: In-kind revenue and related expenditures were overstated by \$131,161.14.

Recommendation: We recommend that Organization management implement review procedures to ensure that in-kind calculations are properly posted to the accounting records.

Management response: The Grants Management System allows a mechanism to monitor entries input in the system. The report page of the screen allows the clerk to put the total in prior to making the entries and this will provide a check and balance to ensure the amounts are correct. The system automatically puts the information on the report page for what was entered. By typing in the amount prior to recording the information for the entry the clerk can check to be sure the amounts are correct. This procedure was initiated upon notification of the error during the audit.

Auditor's Update: All tested in-kind calculations were properly posted to the accounting records for the year ended December 31, 2013.

#### Section III – Federal Award Findings and Questioned Costs

FA-2012-01— Final Inspection and Documentation Requirements for Weatherized Units, Compliance Requirement – Special Requirements U.S. Department of Health and Human Services CFDA 93.568

Condition: During the examination of weatherization client files, we noted the forms required by the "Weatherization Assistance Program Policy Guide" were either incomplete or missing. In addition,

### COMMUNITY ACTION PROGRAM OF EVANSVILLE AND VANDERBURGH COUNTY, INC. SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS (CONTINUED) YEAR ENDED DECEMBER 31, 2013

Section III - Federal Award Findings and Questioned Costs (continued)

FA-2012-01— Final Inspection and Documentation Requirements for Weatherized Units, Compliance Requirement – Special Requirements (continued)
U.S. Department of Health and Human Services
CFDA 93.568

information or documentation necessary to determine compliance with state documentation requirements was not available at the time of our audit. Specifically, we noted four (4) client files in which the Moisture Assessment forms were incomplete, and two (2) files in which the Certificate of Insulation forms were incomplete. Also, we noted one (1) file for which there was no documentation of the type of cook stove in the home which is necessary to determine whether a gas cook stove form is required.

Criteria: Weatherization Assistance Program Policy Guide states that client files must contain the paperwork necessary to document that proper procedures were followed in the performance of the work. Some forms, such as the application, are required in all client records. Other documents, such as the rental agreement, will only be contained in the files where applicable.

Cause: The Organization's internal controls did not prevent or detect incomplete and/or missing forms in the client file.

Effect: Complete documentation of work performed and results of work performed was not retained in accordance with State standards.

Recommendation: We recommend continuous training for the weatherization staff that reiterates the required documentation standards.

Management's Corrective Action Plan: The Weatherization Department will receive training on an ongoing basis to reiterate the required documentation standards. Of the four (4) client files in which the Moisture Assessment forms were incomplete, three (3) were completed prior to the 2011 audit and during the review were not found. The one that was completed after the 2011 audit was a new Weatherization Contractor and should have been more closely monitored for documentation standards. The cook stove documentation was provided for the home and since it was an electric range, no testing was required.

Auditor's Update: All tested files included complete Moisture Assessment Forms and Certificates of Insulation for the year ended December 31, 2013.

(a nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 12, 2014.

### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Community Action Program of Evansville and Vanderburgh County, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
