INDEPENDENT AUDITOR'S REPORT

Board of Directors
Community Action Program of Evansville and Vanderburgh County, Inc. and Subsidiary
Evansville, Indiana

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Community Action Program of Evansville and Vanderburgh County, Inc. (a nonprofit organization) and CAPE Place, LLC (Subsidiary), which comprise the consolidated statements of financial position as of December 31, 2020 and 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the financial statements of CAPE Place, LLC, the Subsidiary, for the years ended December 31, 2020 and 2019. The Subsidiary's statements reflect total assets of \$3,012,004 and \$3,097,362 as of December 31, 2020 and 2019 and total support and revenue of \$333,414 and \$355,447 for the years then ended, respectively. Those statements were audited by other auditors, whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the Subsidiary, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audit and the report of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Community Action Program of Evansville and Vanderburgh County, Inc. and Subsidiary as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of state and local awards, as required by the Indiana State Board of Accounts, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 7, 2021, on our consideration of Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2020 AND 2019**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of Community Action Program of Evansville and Vanderburgh County, Inc.(the “Organization”), and its wholly-owned subsidiary, CAPE Place, LLC (the “Subsidiary”). In accordance with the FASB Accounting Standards Codification topic “Consolidation of Not-for-profit entities”, consolidation is required for the aforementioned entities and all material intercompany transactions have been eliminated in the consolidation.

NATURE OF OPERATIONS

Community Action Program of Evansville and Vanderburgh County, Inc. (CAPE or the Organization) was incorporated and commenced operations as a not-for-profit Organization in 1965, under the laws of the State of Indiana. The Organization was formed to develop and provide resources for the purpose of assisting low-income individuals in the City of Evansville and Vanderburgh County, Indiana through a variety of programs, including Head Start, Energy Assistance, Section 8, Weatherization, Foster Grandparents, Owner Occupied Rehabilitation Programs, Food Banks and Individual Development Accounts. The Organization is primarily supported through federal and state government grants.

CAPE Place, LLC was formed to further the charitable purposes of Community Action Program of Evansville through development, ownership, and operation of a 28-unit affordable housing rental project on certain real estate located in Princeton, Indiana, to be known as CAPE Place.

Income or losses from business activity performed by CAPE Place, LLC and Community Action Program of Evansville and Vanderburgh County, Inc. are reflected as increases and decreases in the net assets of the Subsidiary in the consolidated statement of financial position. In addition, income or losses from Subsidiary activity is presented in the consolidated statement of activities.

BASIS OF ACCOUNTING

The financial statements of the Organization and Subsidiary have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

REVENUE RECOGNITION

The Organization receives grants from the State of Indiana (State) and the federal government to carry out certain program activities. The grants are received under contracts which require the Organization to submit to the State appropriate records of services provided to eligible individuals. Revenues under the contracts are recognized as services are provided. The Subsidiary recognizes revenue as it is earned and billed.

AND VANDERBURGH COUNTY, INC. AND SUBSIDIARY

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

REVENUE RECOGNITION – (continued)

Revenue earned under cost-reimbursement awards from governmental agencies are recognized under such awards when costs allowable under the terms of the awards are incurred. Advances received in excess of allowable costs are reported as liabilities.

Fees for services and contract revenues are recognized as revenue at a point in time when the services are substantially performed. Fees received in advance of substantial performance are reported as liabilities.

The Organization reports grants and contributions of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. However, contributions received with donor-imposed restrictions in which the restrictions are satisfied in the same reporting received are reported as support without donor restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Amortization of the discounts is included in contributions revenue. Conditional promises to give are not recognized as revenue until the conditions are substantially met.

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair market value of certain in-kind donations as an expense in its financial statements, and similarly increase revenue and other support by the same amount.

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance non-financial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated.

No amounts have been reflected in the financial statements for unskilled donated services. The Organization pays for most services that require specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, solicitations, and various committee assignments.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

PROPERTY AND EQUIPMENT

The Organization and Subsidiary follow the practice of capitalizing all expenditures in excess of \$5,000 for property and equipment at cost; the fair value of donated fixed assets is similarly capitalized. Depreciation is provided using the straight-line method over estimated useful lives of three to forty years. The following is a summary of the lives for each class of asset:

Buildings	40 years
Leasehold improvements	15 years
Equipment	3-10 years
Vehicles	5 years

When property is sold, retired or otherwise disposed of, the related cost and accumulated depreciation are eliminated from the accounts and any resulting gain or loss is credited or charged to income. Expenditures for maintenance and repairs are expensed when incurred.

The Organization has adopted a policy for implying time restrictions on contributions of long-lived assets (and contributions of cash and other assets restricted to purchasing them) are met when the asset is placed in service.

The Organization’s total depreciation expense for the years ended December 31, 2020 and 2019, was \$116,211 and \$87,833, respectively. The Subsidiary’s depreciation expense was \$91,890 and \$92,714, respectively for the years ended December 31, 2020 and 2019.

INCOME TAX STATUS

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an Organization that is not a private foundation under Section 509(a)(2).

In addition, since the subsidiary LLC is wholly owned by the Organization, there is only a single member. Per Internal Revenue Service Code, the LLC is considered to be a “disregarded entity” for tax purposes, meaning that all revenues and expense of the LLC are reported as part of the Organization’s annual tax return. No income tax return is required to be prepared for the sole-member LLC.

FINANCIAL STATEMENT PRESENTATION

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board. Per the applicable standards, Community Action Program of Evansville is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

FINANCIAL STATEMENT PRESENTATION – (continued)

A description of the net asset classes follows:

Net assets without donor restrictions represent the portion of net assets of Community Action Program of Evansville that is not subject to donor-imposed restrictions. Net assets without donor restrictions include expendable funds available for the support of the Organization. Board designated net assets are net assets without donor restrictions with self-imposed designations by action of the governing board.

Net assets with donor restrictions represent contributions and other inflows of assets whose use by Community Action Program of Evansville is limited by donor-imposed stipulations that either expire by passage of time, can be fulfilled and removed by actions of Community Action Program of Evansville pursuant to those stipulations, or net assets that must be held in perpetuity.

Net assets with donor restrictions also include, pursuant to Indiana law, cumulative appreciation and reinvested gains on net assets with donor restrictions that are held in perpetuity, which have not been appropriated by the Board of Directors.

For the years ended December 31, 2020 and 2019, the Organization had no net assets with donor restrictions.

USE OF ESTIMATES

The preparation of accrual basis financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

TAX BENEFITS

The Organization and Subsidiary recognize a tax benefit only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. With few exceptions, the Organization and Subsidiary are no longer subject to examination by taxing authorities for the years before 2017.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

ALLOCATION OF COSTS

The Organization allocates joint costs to benefiting programs using various allocation methods, depending on the type of joint cost being allocated. Joint costs are those costs incurred for the common benefit of all agency programs, which cannot be readily identified with a final cost objective. The Organization's cost allocation methods are as follows:

Administrative Personnel

Agency administrative and financial personnel (Executive Director, Director of Administration, accounting personnel, etc.) record the time they spend working on specific programs on their time sheets. The time specifically identifiable to a particular program is charged to that program.

Administrative Non-personnel Costs

Administrative non-personnel costs (including administrative space costs, utilities, telephone, supplies, travel, etc.) are allocated based on actual administrative time spent in each program.

Occupancy Costs

Occupancy costs (maintenance costs, utilities, insurance, rent, repair costs, etc.) are allocated based on the number of square feet of space each program occupies.

GRANTS RECEIVABLE AND ALLOWANCE FOR UNCOLLECTIBLE ACCOUNTS

The grants receivable represent amounts the Organization has filed claims for the years ended and were awaiting payment. A substantial majority of receivables are due from government sources. The amount deemed uncollectible is zero. Therefore, no bad debt allowance is considered necessary.

ACCOUNTS RECEIVABLE

The accounts receivable represents amounts due for childcare services. The Organization considers accounts receivable to be fully collectible and, accordingly, no allowance for doubtful accounts is considered necessary. The past due accounts are reviewed and written off every year in the month of July. The direct write-off method was not determined to have a material impact on the financial statements.

CASH EQUIVALENTS

The Organization considers all highly liquid investments, except for those held for long-term investment, with maturities of three months or less when purchased to be cash equivalents.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

IN-KIND CONTRIBUTIONS

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair market value of certain in-kind donations as an expense in its financial statements, and similarly increase revenue and other support by a like amount. For the years ended December 31, 2020 and 2019, this adjustment amounted to approximately \$104,805 and \$553,654, respectively.

The Organization has recorded in-kind contributions for professional services on the Consolidated Statement of Activities as required per the FASB Accounting Standards Codification for *Accounting for Contributions Received and Contributions Made*. This standard requires that only contributions of services received that create or enhance non-financial assets or require specialized skill and would typically need to be purchased if not provided by donation be recorded. The requirements of the FASB standard are different from the in-kind requirements of the Organization’s grant funding sources.

Of the \$104,805 and \$553,654 of in-kind contributions and related expenses recorded in the Organization’s Statement of Activities for the years ended December 31, 2020 and 2019, contributed services meeting the requirements of the aforementioned standard are \$1,891 and \$233,989, respectively, related to Head Start. During 2020 and 2019, the Organization also received other in-kind contributions totaling \$345,324 and \$1,250,633, respectively, related to its Head Start, Foster Grandparent, and Indiana Minority Health Coalition programs, which includes services from non-professional volunteers which are not recorded in the Consolidated Statements of Activities. During 2020 and 2019, the Organization also received in-kind donations including food, supplies, and space for its Head Start and Foster Grandparent program totaling \$102,914 and \$319,665, respectively.

The table below details the in-kind contributions for the years ended December 31, 2020 and 2019:

	<u>2020</u>	<u>2019</u>

NOTE 13 – CONTINGENT LIABILITY

Several programs administered by the Organization provide funds towards the purchase, construction and/or rehabilitation of homes and rental properties. These programs include: Federal Home Loan Bank--Home Opportunities Program, Department of Metropolitan Development--Down Payment Assistance Program, Indiana Housing and Community Development--Owner Occupied Rehabilitation Program, Department of Metropolitan Development--Buy/Rehab/Resale Program, Department of Metropolitan Development--Home Money, the Indiana Housing and Community Development--HOME Investment Partnership program rental new construction, and Indiana Housing and Community Development--Housing Education Counseling/Down Payment Assistance Program.

In these programs, low-income persons can qualify for down payment assistance or for repairs and improvements of owner-occupied residences and HOME assisted rental units. For owner-occupied properties, the Organization holds a mortgage equal to the amount of the down payment or repairs for each participating homeowner. These mortgages are forgivable if the mortgagor owns and occupies the mortgaged premises for the required timeframe. These timeframes range from 3 to 15 years for the various programs. As of December 31, 2020, the Organization held 22 mortgages with a total balance of \$663,348.

The Organization constructed three rental properties in Oakland City with \$253,000 of HOME funds in 2015. These rental properties must adhere to a twenty-year affordability requirement that requires rents to qualifying tenants not to exceed 30% of the tenant's gross income. If these three properties are transferred, foreclosed or not used as a residence for qualifying tenants during the affordability period, the entire sum secured by lien, without interest, shall be due and payable upon demand.

While the Organization holds these zero percent forgivable loans, the anticipated future collections cannot be determined. Although these mortgages are secured by a lien on the homes, there is a possibility that the Organization may have to repay the governmental funds used under this program if the owner occupants do not occupy the homes for the mandatory periods. The final liability, if any, to be paid cannot be determined at this time. Accordingly, these financial statements do not reflect any liability, which may arise as a result.

NOTE 14 – CONCENTRATION OF RISK

The Organization maintains its cash balances in several banks. The accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 as of December 31, 2020 and 2019. At times throughout the year, the balance in this account may exceed these limits. At December 31, 2020 and 2019, one bank had uninsured bank balances of \$389,041 and \$92,055, respectively.

Revenues from federal and state government agencies that provide grant and contract funding to the Organization represented 97% and 94% of the Organization's total revenue and support for the years ended December 31, 2020 and 2019, respectively.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Community Action Program of Evansville and Vanderburgh County, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Community Action Program of Evansville and Vanderburgh County, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 7, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Program of Evansville and Vanderburgh County, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE *UNIFORM GUIDANCE***

To the Board of Directors
Community Action Program of Evansville and Vanderburgh County, Inc.

Report on Compliance for Each Major Federal Program

We have audited Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Community Action Program of Evansville and Vanderburgh County, Inc.'s major federal programs for the year ended December 31, 2020. Community Action Program of Evansville and Vanderburgh County, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action Program of Evansville and Vanderburgh County, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action Program of Evansville and Vanderburgh County, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

Report on Internal Control over Compliance

Management of Community Action Program of Evansville and Vanderburgh County, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
