Report on the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Community Action Program of Evansville and Vanderburgh County, Inc. (a nonprofit organization) and Subsidiary, which comprise the consolidated statements of financial position as of December 31, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Community Action Program of Evansville and Vanderburgh County, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Community Action Program of Evansville and Vanderburgh County, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community Action Program of Evansville and Vanderburgh County, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Community Action Program of Evansville and Vanderburgh County, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and the schedule of expenditures of state and local awards, are presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated August 22, 2024 on our consideration of the Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the accounts of Community Action Program of Evansville and Vanderburgh County, Inc.(the “Organization”), and its wholly-owned subsidiary, CAPE Place, LLC (the “Subsidiary”). In accordance with the FASB Accounting Standards Codification topic “Consolidation of Not-for-profit entities,” consolidation is required for the aforementioned entities and all material intercompany transactions have been eliminated in the consolidation.

NATURE OF OPERATIONS

Community Action Program of Evansville and Vanderburgh County, Inc. (CAPE or the Organization) was incorporated and commenced operations as a not-for-profit Organization in 1965, under the laws of the State of Indiana. The Organization was formed to develop and provide resources for the purpose of assisting low-income individuals in the City of Evansville and Vanderburgh County, Indiana through a variety of programs, including Head Start, Energy Assistance, Section 8, Weatherization, Foster Grandparents, Owner Occupied Rehabilitation Programs, Food Banks, and Individual Development Accounts. The Organization is primarily supported through federal and state government grants.

CAPE Place, LLC was formed to further the charitable purposes of Community Action Program of Evansville and Vanderburgh County, Inc. through development, ownership, and operation of a 28-unit affordable housing rental project on certain real estate located in Princeton, Indiana, to be known as CAPE Place.

Income or losses from business activity performed by CAPE Place, LLC and Community Action Program of Evansville and Vanderburgh County, Inc. are reflected as increases and decreases in the net assets of the Subsidiary in the consolidated statement of financial position. In addition, income or losses from Subsidiary activity is presented in the consolidated statement of activities.

BASIS OF ACCOUNTING

The financial statements of the Organization and Subsidiary have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

REVENUE RECOGNITION

The Organization receives grants and cost-reimbursement awards from the State of Indiana (State) and the federal government to carry out certain program activities. The conditional grants are received under contracts which require the Organization to submit to the State appropriate records of services provided to eligible individuals. Revenue earned under cost-reimbursement awards from governmental agencies are recognized under such awards when costs allowable under the terms of the awards are incurred. Advances received in excess of allowable costs are reported as liabilities. Revenues under the contracts are recognized as services are provided. The Subsidiary recognizes revenue as it is earned and billed.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

REVENUE RECOGNITION – (continued)

The Organization reports grants and contributions of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. However, contributions received with donor-imposed restrictions in which the restrictions are satisfied in the same reporting period are reported as support without donor restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Amortization of the discounts is included in contributions revenue. Conditional promises to give are not recognized as revenue until the conditions are substantially met.

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair market value of certain in-kind donations as an expense in its financial statements, and similarly increase revenue and other support by the same amount.

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance non-financial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated.

No amounts have been reflected in the financial statements for unskilled donated services. The Organization pays for most services that require specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, solicitations, and various committee assignments.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

PROPERTY AND EQUIPMENT

The Organization and Subsidiary follow the practice of capitalizing all expenditures in excess of \$5,000 for property and equipment at cost; the fair value of donated fixed assets is similarly capitalized. Depreciation is provided using the straight-line method over estimated useful lives of three to forty years. The following is a summary of the lives for each class of asset:

Buildings	40 years
Leasehold improvements	15 years
Equipment	3-10 years
Vehicles	5 years

When property is sold, retired or otherwise disposed of, the related cost and accumulated depreciation are eliminated from the accounts and any resulting gain or loss is credited or charged to income. Expenditures for maintenance and repairs are expensed when incurred.

The Organization has adopted a policy for implying time restrictions on contributions of long-lived assets (and contributions of cash and other assets restricted to purchasing them) are met when the asset is placed in service.

The Organization's total depreciation expense for the years ended December 31, 2023 and 2022, was \$265,421 and \$191,678, respectively. The Subsidiary's depreciation expense was \$91,605 and \$91,605, respectively for the years ended December 31, 2023 and 2022.

INCOME TAX STATUS

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an Organization that is not a private foundation under Section 509(a)(2).

In addition, since the subsidiary LLC is wholly owned by the Organization, there is only a single member. Per Internal Revenue Service Code, the LLC is considered to be a "disregarded entity" for tax purposes, meaning that all revenues and expense of the LLC are reported as part of the Organization's annual tax return. No income tax return is required to be prepared for the sole-member LLC.

FINANCIAL STATEMENT PRESENTATION

The financial statement presentation follows the recommendations of the Financial Accounting Standards Board. Per the applicable standards, Community Action Program of Evansville and Vanderburgh County, Inc. is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

FINANCIAL STATEMENT PRESENTATION – (continued)

A description of the net asset classes follows:

Net assets without donor restrictions represent the portion of net assets of Community Action Program of Evansville and Vanderburgh County, Inc. that is not subject to donor-imposed restrictions. Net assets without donor restrictions include expendable funds available for the support of the Organization. Board designated net assets are net assets without donor restrictions with self-imposed designations by action of the governing board.

Net assets with donor restrictions represent contributions and other inflows of assets whose use by Community Action Program of Evansville and Vanderburgh County, Inc. is limited by donor-imposed stipulations that either expire by passage of time, can be fulfilled and removed by actions of Community Action Program of Evansville and Vanderburgh County, Inc. pursuant to those stipulations, or net assets that must be held in perpetuity.

Net assets with donor restrictions also include, pursuant to Indiana law, cumulative appreciation, and reinvested gains on net assets with donor restrictions that are held in perpetuity, which have not been appropriated by the Board of Directors.

For the years ended December 31, 2023 and 2022, the Organization had no net assets with donor restrictions.

USE OF ESTIMATES

The preparation of accrual basis financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

TAX BENEFITS

The Organization and Subsidiary recognize a tax benefit only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. With few exceptions, the Organization and Subsidiary are no longer subject to examination by taxing authorities for the years before 2020.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

ALLOCATION OF COSTS

The Organization allocates joint costs to benefiting programs using various allocation methods, depending on the type of joint cost being allocated. Joint costs are those costs incurred for the common benefit of all agency programs, which cannot be readily identified with a final cost objective. The Organization's cost allocation methods are as follows:

Administrative Personnel

Agency administrative personnel record the time they spend working on specific programs on their time sheets. The time specifically identifiable to a particular program is charged to that program. Where time is spent on tasks that affect all programs (example: processing payroll, bank reconciliation and benefit administration) costs are allocated by FTE (Full-time Equivalent) number of staff per program.

Administrative Non-personnel Costs

Administrative non-personnel costs (including administrative space costs, utilities, telephones, supplies, travel, etc.) are allocated based on direct cost to programs where possible. When not possible or not administratively feasible, costs are allocated by FTE (Full-time equivalent) number of staff per program.

Occupancy Costs

Occupancy costs are allocated directly to the programs they are used for. Where there is shared space between two or more programs the costs are allocated by the FTE (Full-time equivalent) number of staff per program at the location.

GRANTS RECEIVABLE AND ALLOWANCE FOR UNCOLLECTIBLE ACCOUNTS

The grants receivable represent amounts the Organization has filed claims for the years ended and were awaiting payment. A substantial majority of receivables are due from government sources. The amount deemed uncollectible is zero. Therefore, no allowance for uncollectible accounts is considered necessary.

ACCOUNTS RECEIVABLE

The accounts receivable represents amounts due for childcare services. The Organization considers accounts receivable to be fully collectible and, accordingly, no allowance for credit losses is considered necessary. The past due accounts are reviewed and written off every year in the month of July. The direct write-off method was not determined to have a material impact on the financial statements.

CASH EQUIVALENTS

The Organization considers all highly liquid investments, except for those held for long-term investment, with maturities of three months or less when purchased to be cash equivalents.

IN-KIND CONTRIBUTIONS

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair market value of certain in-kind donations as an expense in its financial statements, and similarly increase revenue and other support by a like amount. For the years ended December 31, 2023 and 2022, this adjustment amounted to approximately \$1,899,676 and \$152,427, respectively.

The Organization has recorded in-kind contributions for professional services in accordance with generally accepted accounting principles (GAAP). NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)

LEASES

In February 2016, FASB issued ASU 2016-02, *Leases (Topic 842)*. Under the new guidance, lessees are required to recognize right-of-use assets and right-of-use lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. The Organization implemented the standard effective January 1, 2022, using the year of adoption.

The Organization has elected to use the following practical expedients in implementing the new standard:

Package of Practical Expedients: Allows the Organization to not reassess (1) lease classification for any expired or existing leases, (2) whether any existing contract contains a lease assuming the lessee has accounted for leases accurately under ASC 840, and (3) any initial direct costs for any existing leases.

Risk-Free Rate Policy: allows the lessee to avoid having to calculate an incremental borrowing rate to avoid unnecessary cost and complexity.

Short-Term Lease Practical Expedient: allows any lease with a term of 12 months or less to be excluded from treatment under the guidance of ASC 842.

NOTE 13 – CONTINGENT LIABILITY

Several programs administered by the Organization provide funds towards the purchase, construction and/or rehabilitation of homes and rental properties. These programs include: Federal Home Loan Bank-Home Opportunities Program, Department of Metropolitan Development-Down Payment Assistance Program, Indiana Housing and Community Development-Owner Occupied Rehabilitation Program, Department of Metropolitan Development-Buy/Rehab/Resale Program, Department of Metropolitan Development-Home Money, the Indiana Housing and Community Development-HOME Investment Partnership program rental new construction, and Indiana Housing and Community Development-Housing Education Counseling/Down Payment Assistance Program.

In these programs, low-income persons can qualify for down payment assistance or for repairs and improvements of owner-occupied residences and HOME assisted rental units. For owner-occupied properties, the Organization holds a mortgage equal to the amount of the down payment or repairs for each participating homeowner. These mortgages are forgivable if the mortgagor owns and occupies the mortgaged premises for the required timeframe. These timeframes range from 3 to 15 years for the various programs. As of December 31, 2023, the Organization held 22 mortgages with a total balance of \$563,410.

The Organization constructed three rental properties in Oakland City with \$253,000 of HOME funds in 2015. These rental properties must adhere to a twenty-year affordability requirement that requires rents to qualifying tenants not to exceed 30% of the tenant's gross income. If these three properties are transferred, foreclosed or not used as a residence for qualifying tenants during the affordability period, the entire sum secured by lien, without interest, shall be due and payable upon demand.

In 2023, the Organization constructed two container homes with \$293,272 of HOME funds. These rental properties must adhere to a twenty-year affordability requirement. Household income may not exceed 60% AMI for the first lease and 80% of AMI thereafter. If these three properties are transferred, foreclosed, or not used as a residence for qualifying tenants during the affordability period, the entire sum secured by lien, without interest, shall be due and payable upon demand.

While the Organization holds these zero percent forgivable loans, the anticipated future collections cannot be determined. Although these mortgages are secured by a lien on the homes, there is a possibility that the Organization may have to repay the governmental funds used under this program if the owner occupants do not occupy the homes for the mandatory periods. The final liability, if any, to be paid cannot be determined at this time. Accordingly, these financial statements do not reflect any liability which may arise as a result.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Community Action Program of Evansville and Vanderburgh County, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of the Community Action Program of Evansville and Vanderburgh County, Inc. (a nonprofit organization), which comprise the consolidated statement of financial position as of December 31, 2023, and the related consolidated statements activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon August 22, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control, that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Program of Evansville and Vanderburgh County, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE *UNIFORM GUIDANCE***

To the Board of Directors
Community Action Program of Evansville and Vanderburgh County, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Community Action Program of Evansville and Vanderburgh County, Inc.'s major federal programs for the year ended December 31, 2023. Community Action Program of Evansville and Vanderburgh County, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Community Action Program of Evansville and Vanderburgh County, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Community Action Program of Evansville and Vanderburgh County, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Community Action Program of Evansville and Vanderburgh County, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Community Action Program of Evansville and Vanderburgh County, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Community Action Program of Evansville and Vanderburgh County, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
